Careful, Kaz, these days the ones who always cry anti-Semite  
are now perceived to be the real bigots and racists at heart.

Reflect on that and ask yourself why this came about.

Hint: 50+ years of incessant and loud Jew propaganda about  
Jewish moral and intellectual superiority, .....perhaps?

All good things do come to an end, Kaz,.....ahahahaha....

I don't know, nor care, what post preceded this one,  
but since ever mankind existed some people of/in any  
tribe have always and will always "instigate conflict and  
war for power and riches"..... or what other reasons are  
there for killing each other?.....and if the conditions were  
right, Tom, you'd be in the forefront doing the same, given  
the personality you exhibit on the Usenet.....ahahahaha...

Very astute and SEEMINGLY factual, Kaz, BUT.....

See, Kaz, apparently you really don't get it. It's very simple.

It is not so-called riches and power that gets Jews into deep shit periodically and epically. A lot of goys have far more of each, yet it normally does not get them into trouble. Most have learned how to handle it: Discretely, smoothly and QUIETLY.

But not the Jews. With the Jews it is the opposite. It is their fucking, incessant **\*\*loudness about themselves\*\***, advocating that they are richer, better, smarter and more lovable "BECAUSE THE ARE JEWISH", from private events to general media stuff, (like i.e. reporting on the front page or in headlines that it rained in Tel Aviv, but shoving a school bus accident report that killed 20 US-goy kids into the background.....) that is what makes the goyim, which outnumber Jew almost a million fold, so irate and belligerent towards them. --- It is a simple as that. We won't even have to touch that for 50 years US taxpayers got forced to pay billions, annually, to the Jewish State... with NOTHING to show for in return!

Will it change? No. Why not?

Because that would mean for Jews to become Un-Jewish....ahahahaha....

Of course Potter will come along now and give recital of his

"Not all Jews are..." song .....aahahahaha.....ahahahaha.....

ahahahaha.....fault, Kaz, what fault?.....honesty and morality is Potterian by DEFAULT.....ahahahaha.....but then it becomes more evident with each post of yours that you, Kaz, are the Jewish mirror image of Potter.....ahahahah.....

So, keep on singing.....All of you!.....It's is a beautiful choir....

....accompanied by that clacking sound of shards of falling glass that comes from the stones we throw at each others houses of glass...

ahahahaha.....ahahahanson
