Hello

I'm independent programmer from Poland. I want to introduce my application written in Delphi which sources i offer to sell.

Please visit my home page to see details:

1. Reporting solution R2005: <http://www.dev4u.cba.pl/r2005.html>

2. Controllin framework for ERP systems:

<http://www.dev4u.cba.pl/engcontrolling.html>

Regards

Jan Kowalski
