The initialization doesn't work yet, but I'm sure that's a quick fix for tomorrow.

Yes. See other reply.

The last intrinsic I used gave me an inexplicable runtime error.
It was sum.

Hmm. Perhaps a pattern. Not enough data for good confidence, but this is sounding like compiler instalation issues again.. as in getting the wring library for the intrinsics or some such thing.

Very low confidence level on that guess, though.
