Should mean Eurodis and EBV finland (o;

EBV is supporting my project and supplies AT91RM9200 QFP samples...

comp.arch.embedded: Re: AT91rm9200 Devel. Board (Student Project): Choice of OS??

so probably PCB design will be finished by next week:

- 100 * 160mm2
- AT91RM9200-QI-002
- 64MB SDRAM
- 8MB flash
- CF slot
- USB A/B
- Ethernet
- RS232/JTAG

Nothing fancy though (o;
