Your sociopathic amusement at other peoples' expense is not legitimate. If you lose such amusement, tough shit.

Expense? If it costs you so much, then why do you invest so much energy

You misquoted me here, by omitting stuff without ellipsis.

I didn't mix up your investment with your expenses.  
You invest your time in posting bullshit, which naturally results in jokes at your expense.

of the nasty things that you have said or implied about me are all true.

indeed.
