there are multiple posting conventions used on usenet. read up:  
[http://en.wikipedia.org/wiki/Posting\\_style](http://en.wikipedia.org/wiki/Posting_style)

yeah but really, in a PROBLEM BASED newsgroup such as this, its helpful to  
jump into any post and read in order a) problem b) comments c) solution

not

- a) solution
- b) comments
- c) problem

Not that you're actually trying to help people solve problems here.
